ECPD 2025

6th European Conference on Plasma Diagnostics

The **European Conference on Plasma Diagnostics (ECPD)** is an event taking place every two years aiming at bringing together scientists and engineers working on plasma diagnostics for magnetic confinement fusion, inertial fusion, beam plasmas, low-temperature and industrial plasmas as well as basic and astrophysical plasmas.

- **Magnetic Confinement Fusion**
- **Beam Plasmas and Inertial Fusion**
- **Low Temperature and Dusty plasmas**
- **Basic Space and Astrophysical Plasmas**

International Scientific Committee
of 21 members
